SFX vroom

The mountain guardian spirit has a car but nothing to do. This heaven doesn't have a car but he has something to do
That's why the spirit is driving
Hahaha.

The hassle is the area change a lot even if there is the same distance between the crossing. so you have to dig precisely when you're reconnecting there

Yes. this area is called the Se Song stratum and there's only one type of stratum here.
The stream are similar but the ca flows a period where the lowly empowered change a lot so there are many kinds of hassle

Look. I'm sorry I want to ask for some directions.
Okay

Is there a resort if we go this way?

Ah...
You lost your way!

The road ends here. If you follow the unpaved road across the mountain, there's one over there.
Ah– Unpaved...

Can I go there with this car? Should I just go home?

Sure how to go around the mountain to get the more road, right?
Go to the mountain path. If you have courage, you can do it

Yes. Thank you.
Is this the right way?
Sorry

I think we took a wrong way.
Really? I thought that the path was wrong, road was going

Do we have to go back?
No, there's a road there too, but it's unpaved
Ah, that's good.

Wow, I feel carsick.
When should we do?
Let's rest a little and start again.
Yeah, I'm tired, too.
We have a lot of time.

I'm going to park the car. You should rest in the shade.
Yeah
Are you okay?

Ah, I want to drink some cool water. Isn't there some in the car?
There's only lukewarm coke in the car.

I think I saw a shop on the way here. I'll go and buy some drinks
Ah? Thank you

Wanna be a model? I'll give you my card to me

We shouldn't have turned left there.
Is that so?

They're lost in this place and they still look happy. they're such good friends

They're travelling together because they're good friends

I'm sorry.
No, it's okay

Ah luck...how long does it take to go across the mountain?

Wait? About the 15 minutes?
If you don't get lost again, it should take about then

Yes haha We shouldn't get lost again
If you got here, I think you took at least two wrong turns

Yes, I think I see it now. I should have turned right at Seok Hong first...

So after we took a turn, we thought that this might be a shortcut...
There isn't a proper road, but this is a shortcut

Look! Just what are you doing here?

Ah, we're excavating fossils!
We?

Fossils? Really? Wow, can I see?!

Sure
Oh oh...
Look...

.....?

The fossils here are hard to see. We have to take it to the laboratory and make it come out of the rocks

Ah...

We the Paleozoic era is divided into six geologic periods including the Cambrian

Huh? I don't think we can trust our new scout. We play around here for a bit more?
No only have to get them kicked out. I'll only going to take us fifteen minutes to get there.
See? Tae Baek is a valley if we follow the road..

The driver and the cornrob guy are a couple and both the glasses guy and the girl with short hairs never have a a relationship

And actually she let is in love with cornrob one actually but only glasses knows about that
Huh?
And glasses is secretly in love with the host..
